PREFACE

I am commissioned by the executrix to sell at public auction the splendid collection of coins of my good friend the late Rev. Stanislaus Siedlecki, a cultured and ardent collector, whose sudden death is mourned by all who knew his lovable character. I believe I can say I never met one who excelled his interest in coins and who derived greater pleasure from his treasures, which the following pages briefly describe and which he wished sold so that others might have a chance to enrich their cabinets. Nearly every coin he had would be worthy of special note were such feasible here, but the following stand out especially: Alexander the Great stater. Augustus aureus. Lysimachus tetradrachm. Shekel. Arsinoe medallion. One hundred ducat piece of Stanislaus III of Poland. The double ducat of Breslau. Modern gold coins. Order of the Cincinnati. $50 octagonal. Extremely rare $10, 1907. Washington cent, 1783, in gold. Stella 1879. Silver dollars of 1794, two superb 1795, 1836, 1838, 1839, 1851, 1852, 1858.

In the Canadian coins at end of sale will be found fine Bridge Tokens. 1838 side view ½ p., etc.

No lot is separated. Sold so much each piece. Everything guaranteed genuine, and this holds good indefinitely.

I exercise great care to correctly describe the coins, and believe collectors will be satisfied with any lot they buy.

The coins will be on exhibition from 9 A. M. to 1 P. M. No lot shown during the sale unless by request.

The auctioneers reserve the right to require a deposit if in their judgment it is to the best interests of the seller.

I will execute bids for the regular commission of 10 per cent. of the amount actually purchased. The auctioneers will execute bids free of commission, but assume no responsibility, and from experiences at recent sales will send purchases C. O. D. unless a deposit is lodged with them.

An edition of fifty copies of this catalogue, printed on large paper, 4to, with three fine plates of the greatest rarities, sent on receipt of $1, or same catalogue priced after sale $1.50. Plain catalogue priced after sale 50c.

Numismatist.
